TERMS OF LIMITED SERVICE WARRANTY

AUTO BUTLER'S PREMIER PAINT PROTECTION II LIMITED SERVICE WARRANTY

In order to increase the life and finish of your vehicle's exterior paint, the dealership has applied Auto Butler to this vehicle and have committed to reapply Auto Butler every 6 months for the total time period identified above. Auto Butler Premier Paint Protection II protects your vehicle's finish via a 2-step "system." The first step in the Auto Butler protection system polishes your car and prepares your paint for the second step by cleaning your paint of contaminants. The second step, a synthetic zinc cross linked co-polymer, is designed to create a long lasting bond to your paint surface. This system creates a tough shield against environmental hazards such as tree sap, bird droppings, acid rain and the sun's ultra violet rays.

NOTICE AND COMMUNICATION: Every 6 months, during the time period identified above, you will receive a notice via mail, telephone and/or email inviting you back to this dealership to have the Auto Butler Premier Paint Protection II reapplied. Notices will be sent to you based on the information provided above. Should your contact information change, please notify Auto Butler immediately. Upon receipt of the notice you must contact the dealership within thirty (30) days to schedule an appointment for the reapplication of the Auto Butler Premier Paint Protection II.

LIMITED WARRANTY: In the event that your vehicle's original manufacturer's exterior painted surface becomes dull, loses its gloss or is compromised by bird droppings, tree sap or acid rain ("Covered Events") during the Term, we will buff out the affected surface and retreat it with Auto Butler Premier Protection II so long as you file a claim during the Term. No warranty is available for vehicles with more than 24,000 miles / 40,000KM and more than 2 years from the original in-service date, but maintenance programs are available.

LIMITATIONS AND CONDITIONS: This limited warranty is applicable only to motor vehicles registered for private, non-commercial use which, at the time of your purchase from Dealer, have less than 24,000 miles / 40,000 Kilometers and have been in service for less than 2 years. In order to qualify for the limited warranty, Auto Butler Premier Paint Protection II must be applied to the vehicle before you take possession of it from the Dealer. Thereafter, it must be reapplied every 6 months by the Dealer until the expiration of the limited warranty. Your failure to have the periodic reapplication of Auto Butler Premier Paint Protection II performed timely shall void this limited warranty. Except as set forth in this document, we expressly disclaim all warranties, either express or implied, including any implied warranty of merchantability or fitness for a particular purpose. Additionally, this Agreement does not alter or modify the warranty language and disclaimers, if any, on any sale contract with Dealer or window sticker. This document constitutes the entire understanding between you and us regarding the Auto Butler product except as set forth herein.

MAINTENANCE OF EXTERIOR: To keep your vehicle looking its best, wash your vehicle often at a car wash using soft cloth. If your vehicle gets bird droppings, acid rain, bugs or other contaminants on it have them removed immediately.

TRANSFERABILITY: You may assign this limited warranty in accordance with the terms on the reverse side.

EXCLUSIONS: Excluded from this limited warranty coverage is damage due to any reason other than the Covered Events identified in the "LIMITED WARRANTY" section above. Types of problems or damage not covered by this limited warranty include, but are not limited to, damage to the paint and chrome surface resulting from an accident, vandalism, intentional act, defect, rust, chemicals, insect/stone marks, hard water spotting, flood, or act of God, its owner or others. Additionally, we are not responsible for incidental or consequential damages resulting from Covered Events.

FILING A CLAIM & CLAIMS PROCESS: Claims must be filed within 30 days of the Covered Event. Notice of the claim must include a description of the event, a description of the damage, the dates of the reapplication of Auto Butler Premier Paint Protection II accompanied by service orders from the Dealer confirming the reapplications, and must be sent to us at the address provided below. We will then schedule an inspection of the vehicle. You may be required to return the vehicle to the Dealer for the inspection.

EXISTENCE OF VEHICLE'S MANUFACTURER WARRANTY: Auto Butler Premier Paint Protection II is not a substitute for any limited warranty provided by the vehicle's manufacturer ("Vehicle Warranty"). If the Vehicle Warranty also covers the Covered Event, you must first make a claim under the Vehicle Warranty and exhaust your remedies under the Vehicle Warranty before making a claim with Auto Butler.

This product is fully refundable with-in thirty days of date of purchase by your selling dealership but a one-time application charge may apply. If you have any questions or comments, please contact Auto Butler Warranty Inc., 4701 Humboldt Ave. N. Minneapolis, MN 55430, call 1-800-328-7434 or email to info@autobutler.net.

SECOND OWNER
AUTO BUTLER PREMIER PAINT PROTECTION II
